Upgrade Your Radios!

Introducing a TDL/ADL Radio Trade-In Promo!

Precision Laser & Instrument, Inc. is pleased to announce a special modernization program for TDL and ADL Radios that provides exceptional values to upgrade from older equipment to the most up-to-date Trimble products!

Trade in your old TDL 450H or ADL Vantage Pro 35W Radio and receive a \$445 off the price of a NEW TDL 450Hx or ADL Vantage 35 radio!

What's New?

These new radios feature new power management firmware that allows them to run more efficiently, reducing heat and increasing battery life! Better still, all cables and accessories used with the older radios are still compatible!
