## CONTROLLERS

TSC5 - Your new best way to work

### Introducing the Trimble® TSC5 survey controller.

You're familiar with the Trimble TSC3 controller, it's been the mainstay of many surveyors' field kit. The NEW Trimble TSC5 controller offers all the benefits of the TSC3, brought up to date with an Android operating system. The TSC5 is a workhorse with improved features such as a five-inch screen and backlit keyboard, ensuring fast, efficient operation, even while wearing gloves. Rugged yet lightweight, with all-day battery power, the TSC5 delivers the ideal blend of high performance and reliability you expect from Trimble.
